Dear Val

It is with deep regret, that we must now give a term's notice for Ian S. in Intermediate 2.

As you know, we have been given a wonderful opportunity in Australia, which will enable us to get back, to some sort of a reasonable standard of living, with both Arthur and I working.

Ian has been so happy at Unity and continues to learn at a steady pace. Arthur and I were always in awe, at what you and your staff do for the children. You are all very special people.

Finally, we wish you and all your staff many blessings in your own lives, as you continue to touch the lives of both the pupils and the parents of Unity College.

With kind regards

Jenny & Arthur S
