**RE: Donation of Clothing to Botshabelo Children's Home**

Thank you for the donation of clothing. A contribution like yours helps make running our home easier and brings an excitement into the home. The girls were so excited to see all the new items and enjoyed helping sort out the clothes that were for babies and the clothes that would fit them. There were big smiles as they put their new shirts on this morning and are very anxious for spring and summer to come so they can wear their other new clothes. Our children look stunning. Thank you for your generous donation.

If you would like us to keep you updated on all that Botshabelo does please email your contact details to [office@botshabelo.co.za](mailto:office@botshabelo.co.za)  
Thanks again for your Contribution to Botshabelo

Kind Regards

Susie Merrifield
