Parents play an essential and positive role in the life of Unity. Our Parent Teacher Association consists of volunteer parents and staff. The PTA provides Unity with a wide range of volunteer services including fund-raising, fostering good fellowship in the community, arranging functions and catering. This committee aims to support the decisions and policies made by the Board. Co-operation and teamwork are seen as crucial to the health of the school community. Working together is the key element to achieving the best possible school. PTA meetings usually occur once a month on a Monday evening starting at 7.00 p.m.
