GERMAN STUDENTS

REQUEST FOR ACCOMMODATION

Two German students have applied for Unity to host them for a period of 6 weeks from July 24th to September 3rd. Christina and Ann-Kristin are looking for accommodation during this time.

Are there perhaps any willing parents who are able to host one or both of these girls for the full period or host for a period of three weeks? If you are able to help, please email debbie@unity-college.org.za.

NICOLE BOTHA – EX UNITY STUDENT

I finished schooling at Unity College in 2008. Last year I attended the Professional Child Care College in Melville.

It was a challenging year with many projects, theory tests and practical work.

I was determined and worked very hard. I have a passion for young children and wanted to achieve my goal.

I passed the "Basic Child Care Course" at Unity and the "Advanced Child Care Course" at Melville.

I also feel very proud that I was able to pass my drivers' license- first time round !!!!!

This year I am teaching 3-4 year old children at Kiddies Cave Nursery School. Can't wait for my first salary!!!

Thanks to Unity College for giving me the foundation in Educare and allowing me to follow my dreams!

Nicole Botha

(Well done Nicole, a wonderful achievement).

GET WELL SOON

We wish Karen Jullies (Jade's mum) a speedy recovery after her operation.

HAVE A GREAT WEEK
